Dear [REDACTED] 5.1.2e

I hope you are doing well! Perhaps you could help me with some questions regarding upcoming deliveries to the Netherlands. We haven't received a confirmed delivery schedule per week for March yet. Do you have this overview for us?

And last week we didn't have a delivery due to some production issues. We were supposed to get [REDACTED] 5.1.1c doses. This week we haven't heard back from you on the [REDACTED] 5.1.1c doses we are supposed to receive. It is unclear to us whether we will receive any doses this week and if so how much? Could you elaborate on that?

Thank you very much in advance!

Kind regards,
