Dear All!

Since we have scheduled a meeting for this Thursday, due to the current COVID-19 situation I wanted to propose to have that meeting virtually (WebEx). Do you all agree that this will be the best (and only) option?
 I can set up the appointment in WebEx if you agree to keep the scheduled time-slot.

Best Regards and many thanks

Subject: RE: Pneumococcal Update & Pipeline

Dear 5.1.2e

Neither the 12th nor the 19th are feasible for 5.1.2e I am afraid possible dates for a F2F will then be in the new year, or if you prefer, I could arrange a teleconference either tomorrow (1 o'clock) or next week 16th at 16 pm.

Best regards,

5.1.2e

Dear 5.1.2e

Following up on the Horizonscan Meeting on November 7th I would like to ask you, if you would be available for a F2F Meeting within the next week to discuss the Development of Pneumococcal Disease and our PCV Pipeline in more detail. I would highly appreciate the opportunity to speak to you on this topic and would be very thankful if you could propose dates for a meeting.

Best Regards and many, many thanks
