Subject: Donation Commitment AstraZeneca NL
Received: Fri 10/15/2021 5:20:57 PM

Dear all,

I'm very happy to learn that we've found a solution for our concerns regarding the donation commitment. Please find attached the final version of our commitment to donate all remaining vaccines that the Netherlands is entitled to for 2021 [REDACTED] 5.1.1c.5.1.2e to COVAX through Sweden. The vaccines are to be donated to lmic countries; there's no need for further earmarking. [REDACTED] 5.1.2e it would be greatly appreciated if you could return a signed version of annex 2 to us.

Kind regards,

[REDACTED] 5.1.2e
